Why Should I fill out a S.M.E.R.F. form for my teenager?

- 1) It will allow the Grace Students staff and volunteers to authorize emergency medical treatment if something happens at youth group or at an event.
- 2) The information on the SMERF form will make it easier for the Grace Students staff to contact me via text message or phone should something occur.
- 3) I have the option of receiving updates on Grace Student's events via email, cell phone or text message.
- 4) I can decide to allow or not allow photos of my child to be used in publications for events or web content.
